

CTP Certified
Translation
Professional

WE APPRECIATE YOUR INTEREST IN OUR PROGRAM

This course is meant for a person who speaks, reads, and writes two or more languages. The student must have a clear understanding of grammar, accents, syntax, and sentence structures of both languages.

One of the great things about the program being completely online, is that students have the ability to study at their own pace. Some students will complete the course in as little as 2-3 months, others can take closer to a year.

It is all about how much time you dedicate to studying the material and preparing for the certification exam.

WE RECOMMEND STUDENTS STUDY THE MATERIAL FOR
75-100 HOURS
BEFORE TAKING THE EXAM

ONCE COMPLETED WITH THIS COURSE, YOU'LL BE ABLE TO:

- Find work in the field
- Grow clientele
- Understand industry ethics
- Build and use translation machines
- Strengthen your resume

The course is based on The Translation Training Textbook by Adriana Tassini. Once you have finished the 11-chapter book you are required to test on the information you learned while reading. The course is only meant for a person that can translate from one language to another and wishes to hold a certificate that confirms this information.

The exam is offered four times a year (March, June, September, and December)

Online format

80 multiple choice questions, true/false questions and short essays.

You will also translate two passages 150-175 words - as an example: English > Spanish and Spanish > English.

The translators will then grade all of your work.

You can earn a total of 200 points and 160 points are needed to pass the exam, which would give you an 80% passing score.

The total cost of the program is \$475.

This covers your textbook and all study materials,
as well as the certification exam fees.

The program is accredited by Continuing Professional Development.
